

## Turning the Hearts of Fathers to Children

Dr. Stephen Estock  
Coordinator, PCA Discipleship Ministries (CDM)

### Questions for further reflection and conversation:

- As you begin this new season of service, where are you on the scale of 1-10 regarding your passion for the ministry?  
10 = "I am excited and READY to go; I can't wait to make disciples among the children."  
1 = "I'm doing it, but if someone else steps up, I'm outta here."
- What is fueling (or draining) your passion for this coming year?
- Reflect on your congregation. Specifically think about the 3 types of "fathers":  
1) fathers in a family, 2) lay leaders in the congregation, 3) ordained elders.  
Which type has the warmest heart for the children?  
Which type drives you to your knees in prayer?  
What specific thing(s) would you like to see as evidence of God working?
- What avenues exist in your congregation that enable "fathers" to demonstrate care for "children" and "children" to demonstrate care for "fathers"?
